

Ja Aakhin Mere Mahi Nu

*Uddin ve uddin tilliyar kaavaan, lammi layin uddaari
Ja aakhin mere mahi nu, gori kyon mano visaari?
Goriye na asaan visari, na eh visaari,
Goriye hardam lagni eh pyaari.
Biba, na tusaan bhejeya sukh da sunehadda
Ve na tusaan bheji eh cheeri.
Goriye kihde hath bhejaan sukh da sunehadda?
Ve kihde hath bhejaan men cheeri?
Biba, aunde-jaande hath sukh da sunehadda,
Ve daake tu pa dayeen cheeri.
Goriye, likhna joga kaagaz na milda,
Kalam jogi nahiyon shaahi.
Biba, dil da tukadda men kaagaz banaavaan,
Naina de kajale di shaahi.
Biba hath di chichi oh kalam banaavaan,
Ro ro hanjuaan da paani.
Biba, likhan vaaleya, tu ausan likh de,
Maahi vaachdiyaan ghar aave.
Bae parchaavaen, chiri vaachaan, naina laayi gubaari,
Na dullo ve kamliyo naino, chitthi maen vaachan saari*
